### Reflection

Have you ever experienced a taste of Heaven?

Have you ever had a religious experience that defied easy explanation or any type of explanation at all? A taste of what eternal life would be like, an insight into a different dimension of existence.  
When did this happen? Where did it happen? Were you on your own or with others?

It is a transfiguration moment. It can happen anywhere. Anywhere and at any time when God breaks through all the barriers you erect between yourself and himself.

**Treasure your experience and let it nourish your life**
