ACN (Aid to the Church in Need) Ireland –
Week of Witness for Persecuted Christians (Nov. 15th-22nd)
The persecution of Christians worldwide remains a serious issue with widespread discrimination, violence and human rights abuses. More Christians have been killed because of their faith in Christ in the last century than the previous 1900 years of Christian history. Join us in standing with them in prayerful solidarity. This Red Wednesday (18th Nov.) Aid to the Church in Need invites you to wear something red, light a red candle in your window and pray for their welfare.
